

Capabilities Statement

About MRS Airfield Lights & Supplies:

MRS Airfield Lights & Supplies, LLC was formed in August 2006 providing airfield lighting and safety supplies for airports and contractors. We offer the newest technology in airfield lighting along with impeccable customer service, contract pricing and reliability that comes with our attention to detail.

Company Principal:

Michele Schindewolf, Company owner and President, has over 16 years of knowledge in airport lighting with direct experience on the airfield installing airfield lighting, as well as in the office using related skills such as blue print reading, negotiating, preparing, and signing bid documents, certification applications, and responsible for daily operations of the business. She continues education through various conferences and workshops.
